Selective Entrance & Scholarship Preparation

Build key skills and knowledge for exams

Greetings parents, students and learning community members!

What an outstanding Term 2! The energy, enthusiasm, and dedication from both our students & teachers made the term enjoyable, productive, and fulfilling. Your children's passion for learning and their commitment to excellence reflect the strong values we uphold. I am thankful for the supportive environment we've created together.

To our students, remember that learning is a journey. Stay curious, stay committed, and you will achieve amazing things.

To our parents and educators, thank you for your continued support and encouragement. You play a vital role in shaping the minds and hearts of our students.

I feel honored, joyful, and proud to lead such a vibrant College. Let's work together to create a culture of discipline that empowers every student to thrive.

Power to you!

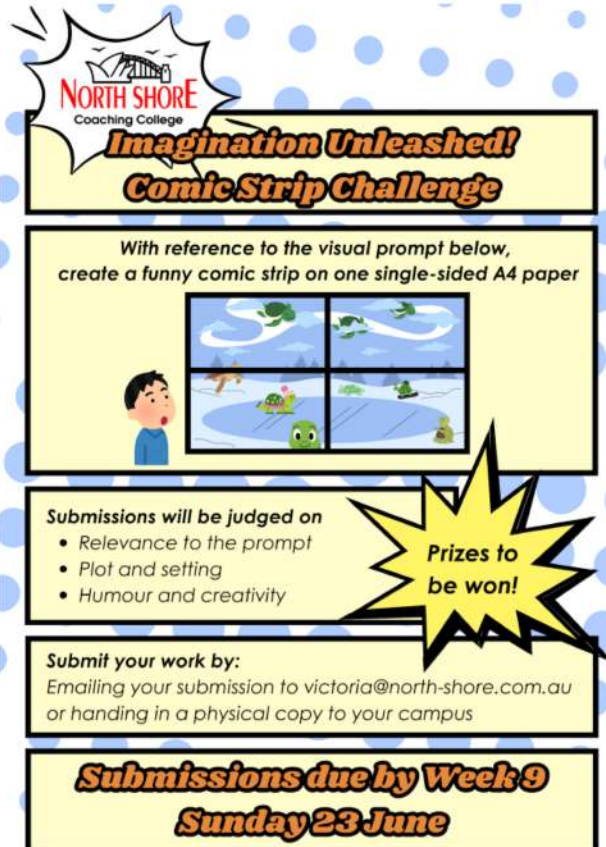

Christina Chia

Chief Operating Officer & Principal (VIC)

IMPORTANT DATES

TERM 2: 22 APR - 30 JUN

HOLIDAY PROGRAM: 8 - 12 JUL

TERM 3: 15 JUL - 22 SEP

TERM 4: 7 OCT - 15 DEC

END OF TERM TEST: WEEK 8

- Week 8 is Test Week (15 / 16 JUNE).
- It is of great importance that your child attends class in Week 8 so that the teacher is able to write an informative report on your child's progress.

END OF TERM STUDENT REPORT: WEEK 10

- Reports are available via our online portal from Monday, 1 July
- Email victoria@north-shore.com.au if you require details to access your child's reports.
- Please read the report comments carefully as feedback will be helpful for your child's continued progress.
- If you would like to speak to your child's teacher/s to find out more, please contact your Campus Director to **pre-arrange** a meeting. We cannot accommodate on the spot requests for meetings.

REFER A FRIEND & BE REWARDED

- Introduce a friend to North Shore Coaching College.
- Once the full the non refundable payment is made for the term, both you and your friend will receive a \$50 credit.
- Note: Terms and Conditions apply.

CLASSROOM

May we remind students to leave their surroundings (in particular classrooms) clean and tidy. Good hygiene is one of the most effective ways to protect ourselves and others from many illnesses.

COMIC STRIP CHALLENGE 'IMAGINATION UNLEASHED'

- Submit your work by:
 - Emailing to victoria@north-shore.com.au, or
 - Handing in a hardcopy to your campus
- Completed entry wins a Pink Slip (Good Student Award).
- One entry per student (Prep - Year 10).
- Multiple prize winners - top winners can receive Pink Slips & a **\$30 credit** to your next term's fees.
- Submit by 9 JUNE 2024. **Enter NOW!**

NO GRAFFITI & CHEWING GUM

Students, please be reminded that respect on campus includes respect for the classroom. Chewing gum and graffiti on the tables and walls are not tolerated. Each classroom is equipped with bins and air conditioning - please make use of these facilities to create a comfortable campus.

TERM FEES & DISCOUNTS

- \$30 EARLY BIRD DISCOUNT applies for payment in full by **16 JUNE 2024** (full term enrolment only).
- Multi-Term Payment Discounts:
 - 5% discount: Enrol in 2 terms
 - 10% discount: Enrol in 4 terms
- Payment via BPAY or Credit Card preferred.
- Terms & Conditions apply.

CALLING ALL STUDENT WINNERS

We encourage you to share good news of your child's achievements in winning Scholarships, entry into Selective High Schools and SEAL Programs with us. You will receive a discount of 25% off the tuition fee for the following term.

THE POWER OF ESSENTIAL ACADEMIC SKILLS

By Christina Chia, Chief Operating Officer & Principal (VIC)

The Importance of Strong Foundations

1. Back to Basics: Literacy and Numeracy

Creating a strong foundation in literacy and numeracy is not just crucial for students' overall academic success; it is transformative. English skills enable students to communicate effectively, comprehend the world around them, and articulate their unique voices. Mathematics opens the doors to logical thinking, problem-solving abilities, and the understanding of patterns and relationships that shape our lives.

2. Practice Makes Perfect: The Role of Routine

Consistency is key to mastery! By integrating regular practice into routines, students reinforce learnings, gain deeper understanding of concepts. Over time, students will refine their techniques, develop muscle memory & improve their time management skills.

3. Building Effective Study Habits

Here are some strategies to cultivate robust study habits:

- Create a study schedule: consistency is key!
- Set clear and achievable study goals.
- Eliminate distractions & create a quiet, distraction-free study environment.

- Break down tasks into smaller, manageable chunks. This makes studying less overwhelming and more manageable.
- Review and reward: review sessions can be tough, so create a balanced study life for your child by incentivising them to complete their duties with quality. It could be as simple as heading out to the park or watching a movie together.

In today's rapidly changing world, it's crucial to equip students with strong foundations of literacy and numeracy skills. These foundational skills are essential for not just academic success but lifelong achievement, enabling students to excel in an increasingly complex landscape.

The Emotional Benefits of Mastering Essential Academic Skills

Confidence, joy, and better emotional well-being manifest within empowered students.

Quite simply, when students understand they have the tools to tackle challenges, they do it. Empowerment translates into a new academic positivity: transformed optimistic spirit in the ever-dynamic educational space. Suddenly, schooling becomes vibrant. Subject mastery brings inner accomplishment and satisfaction. Students continue to learn and grow, breeding a virtuous cycle of success and well-being.

How North Shore Coaching College can help

At North Shore Coaching College, we understand the critical importance of building strong foundations in English and Mathematics.

Our programs are designed to provide students with the skills they need to succeed, both academically and personally.

Here's how we can assist:

- Proven Success' Course Programs with over 32 years of delivering tuition that works!
- Experienced educators.
- Engaging curriculum & interactive methods to make learning enjoyable and effective.
- Regular assessments & weekly homework to track progress and identify areas for improvement for targeted support.

Imagine the joy on a child's face when they read their first book fluently or solve a challenging math problem. These moments of achievement are not just milestones; they are stepping stones to a future filled with confidence, creativity, and endless potential!

Empower your child with the essential skills they need to succeed.
