The North Shore tuition program has demonstrated its effectiveness as an outstanding initiative that empowers students to excel in various open exams and competitions.

We take pride in announcing that the count of students who have earned scholarships and secured placements in Independent and state schools has been ever increasing since the establishment of North Shore Perth in 2001. In 2024, over 170 students have confirmed and reported winning Scholarships, Gifted & Talented placements, and Top 1% ATAR High Achievers were awarded in the North Shore Perth Annual Presentation. North Shore recognizes the efforts of our diligent students and encourages excellence by rewarding them with a Special Trophy and a 20% discount of tuition fee.

North Shore accelerated programs help students acquire the skills to reach their fullest potential. Guided by dedicated and specialist tutor, our program develops student's abilities in abstract thinking, verbal & numerical reasoning, spatial relations, information processing, memory and word fluency. To support our students in realizing their aspirations and unique talents, we have integrated up-to-date, ACER format in-class Trial Tests into our teaching curriculum for Term 3-4 / 2024 and Term 1-2 / 2025.

In order to well prepare your child for the increased academic challenges in the upcoming years, give them a head start and boost their confidence in winning a Scholarship and / or a placement in Gifted and Talented Education Program. Most Scholarship and GATE exams will be conducted in Term 1 / 2025. To ensure success in these exams, it is vital that you prepare early.

**All Scholarship and GATE exams will be held in the Term 1 / 2025.**
