

NORTH SHORE NEWSLETTER

WELCOME TO A NEW YEAR!

Welcome to our first issue of the North Shore Coaching College newsletter for 2025. I hope you had a restful Christmas and January, ahead of what is expected to be a busy school year ahead for both parents and students!

The start of the year is a great time to set new goals and to ensure we maintain a good balance of different activities to ensure a healthy mind and body.

It's wonderful to see our returning students as well as so many new faces. Our growth is gratifying because it is driven, to a large part, by our existing families, through word of mouth. We thank you for your support and we do not take it for granted.

We have an exciting year ahead and we will be rolling out a number of initiatives and improvements across all aspects of our operations.

TO PARENTS & GUARDIANS

While providing a good educational program and career to your child can be rewarding, it is a complex and demanding venture that requires thorough planning and commitment.

North Shore Coaching College in Perth provides a proven success system to help devoted parents understand many issues that need to be considered in the education process. This includes how to provide better schooling with minimum investment, evaluating your child's capabilities, identifying learning opportunities, preparing a study plan, understanding the schedule & timing, regulations and restrictions in public examinations such as Scholarship, GATE, NAPLAN, PEAC, WACE, UCAT and ATAR. North Shore students will be well equipped and capable to achieve the best performance possible. Please share this information with your friends as not only does it benefit their children but also the community we live in!

Benefits of North Shore Coaching College's MyStudy Learning Platform:

-  Interactive, computer-based homework tasks to reinforce learning.
-  Identify areas needing extra focus with tutor support
-  Review and attempt questions at your own pace online
-  Build confidence for digital assessments
-  Improve student learning outcomes & tracking progress

MyStudy is designed to complement classroom learning, helping students build strong study habits and excel in a digital world.

Follow the 5!

One of the new and practical developments this term is the reimagining of our classroom rules. In reimagining the rules, we undertook quite a journey of reflection.

First Consideration:

The College holds a clear and steadfast belief in the **right to learn in a safe environment**. The primacy of teaching and the right of the learner to excel are central tenets of our approach.

Second Consideration:

After more than 30 years in the provision of quality education we are convinced that two elements are essential for a student to realise their potential:

- Clear expectations of both student and teacher
- A classroom environment in which learning is not a possibility but an **expectation**

It is true to say that effective classroom rules are at the heart of realising student potential. Having taken the above into consideration, we have crafted our new classroom rules.

Classroom Rules - Follow the 5

1. Your teacher has the **right** to teach.
2. You have the **right** to learn.
3. Your classmates have the **right** to learn.
4. You must **respect** other people's property.
5. You must **not bully**.

Drop Off/Pick Up

Dear Parents/Guardians,

When dropping off and picking up your child/ren, **please take into consideration local traffic rules** and **always be respectful of locals** living in the surrounding areas.

For the safety of students, please make sure you **do not speed** and **never stop your car where you could be blocking access to any driveways**.

It would also be appreciated if you could just “drop and go” to enable a smooth flow of traffic. Parents wishing to “send” their child/ren off are encouraged to park their cars somewhere away from the immediate school area where it is legal, and walk with the students instead.

We have been informed that City Council may turn up at any time and fines will be issued on the spot.

Thank you for your cooperation.
